

簡宗宇 Charles Jian

- For technology

Like to share and pursue new technologies, enjoy the uniqueness of each project in the technical considerations of knowledge and the art of design.

- For life

When I have nothing to do, I will take my family on a trip. In the dead of night, I like to watch movies alone and play video games.

- For work

Responsible for work and maintain a positive attitude, have good cross-team cooperation and communication skills, enable the team to bring growth, centripetal force, and complete tasks in a high-pressure and fast-paced work environment.

- Future

It is hoped that in the future, in various practices, better solutions and new technology architectures can be promoted for different problems, such as WebAssembly, Docker, hybrid cloud.

Job Title : Application Architecture , TW

Mail : cha0939@gmail.com

Mobile : +886-922-160-805
